ORDERING GUIDELINES

Spring orders can be placed in February and March for March, April or May shipping. Early orders help guarantee greater selection and availability. Please indicate your desired shipment week.

All regular wholesale orders must meet our minimum per variety policy of 3 water lilies or 6 marginal or surface plants. Submerged plants can be ordered in bunches of 100 or greater.

A single \$18 Handling and Box fee is added to each order.

We ship Federal Express 2 Day Service Monday through Wednesday of each week. Freight will be added to your invoice.

To process orders for the following week, please have your order placed by Friday 2pm Eastern Standard time. We prefer you fax your orders but order can also be placed by phone. Forms also available for download at ChampionBayAquatics.com

Orders must meet a minimum of \$280 per order. HOWEVER smaller \$150 minimum orders can be placed from our Virginia Location Availability list. This list is much smaller with some slightly different pricing. Please visit our website for details, or we can also fax you that availability list at your request.

Claims for shortages must be made within 24hrs of receipt. Shipments delivered to FedEx become property of the consignee and all claims for mishandling should be made with FedEx immediately.

Substitutions will be made to orders with similar color and style aquatic plant as availability changes unless a request is made for no substitutions.

All orders must include

- o A Business Name and shipping to Address
- o Payment / Method of Payment
- o Requested Shipping Date
- o Phone Number
- o Product, Quantity, and Size for each item ordered. If you do not choose a size the least expensive size will become the default selection.

Please see special instructions for ordering the following: Water Hyacinth, Pond Snails, and other separate small quantity plant orders at the end of this catalog.
